

## **Parking Guidelines (2008 PQ Memorial Day Classic Tournament)**

Managers, Coaches, and Team Families:

Welcome to our 2008 PQ Memorial Day Classic Softball Tournament. We hope that all of your teams and players have a great time participating in our tournament.

Please note that with our field of teams this year, parking at Canyonside Park will be limited.

There are about 275 parking spaces at Canyonside Park. In addition, we have arranged to use the parking lot at Canyonview Elementary School (105 spaces) located one block north of Canyonside Park (on Adelpia Street) as overflow lots. **RV parking will not be allowed at Canyonside.** You may park your RV at Canyonview Elementary, but please, no overnight parking.

We will have parking staff at the entrance to Canyonside Park as you enter from Black Mountain Road. Please follow their directions! If you plan to drop off a player(s) and equipment, you will be directed to a turnaround area of the parking lot where you can unload prior to parking. If you are directed back out to the front entrance of the park, Do Not Panic! In that case, you will be directed to the overflow lot at Canyonview Elementary School. Take a left out of the park at the light, proceed north on Black Mountain Road to the next traffic light, turn right on Adelpia Road, and Canyonside Elementary is on the right. There is also additional on-street parking in the neighborhood surrounding Canyonside Elementary. **Unfortunately, we will not be able to provide shuttle service to and from Canyonside.**

Please try to carpool as much as possible to the fields.

We appreciate your cooperation with parking and we hope you have a great tournament!
